There is a reason the YMCA is referred to as *America’s Favorite Swim Instructor*. In YMCA Swim Lessons, not only are you taught how to swim, but you also learn about yourself, about safety and rescue skills, and about water activities you can enjoy for a lifetime. Instruction is caring and personalized. A variety of classes are available to meet your family’s needs. Class size is determined by considering safety factors and the age of the participants, making sure classes don’t get too big to be uncomfortable.

SWIM LESSONS ARE FOR EVERYONE!

Schedule: All efforts will be made to accommodate the personalized schedule; We cannot guarantee specified times will be available.

Instructor: Participants are given the opportunity to request certain instructors. Depending upon scheduling, availability may be limited.

Cancellations: Missed scheduled classes will not be made up. Participants may cancel a scheduled class and reschedule for a later date, if a two-hour notice is given. Two cancellations by the participant will result in a forfeiture of one lesson. If weather or a pool closing forces cancellation of a class, the class will be made up according to participant’s wishes. If an instructor has to cancel a class, all efforts will be made to inform the participant and the class will be rescheduled for a later date.
