LEARN SCUBA!

A THOROUGH OPEN WATER SCUBA COURSE PROVIDING INTERNATIONAL CERTIFICATION WITH THE NATIONAL ASSOCIATION OF UNDERWATER INSTRUCTORS (NAUI)

Instructor Ken McCracken, has been teaching all levels of Scuba diving and taking divers on trips for over 30 years ! Registration will be directly with Ken:
ken@kensscuba.com or (970) 319-5747

This thorough and enjoyable course provides training and certification to safely experience the amazing underwater world. It includes at least 12 hours pool instruction, online instruction, and nine hour ZOOM classroom instruction. Also included is a weekend of Open Water training dives. After completion, divers have the option of enjoying adventure dive trips including a trip to dive off the Florida Keys soon after the course.

COURSE COSTS: Course tuition is \$325 OR \$225 for a household family member taking the same course. This includes pool and class instruction AND regulator with octopus and gauges, buoyancy compensator, tanks with airfills, weights and weight belt, wetsuits for long pool sessions. \$90 is payable to the instructor for online education, text, dive tables, and certification fee. Open Water training over a weekend is \$150 OR \$100 for a household family member taking the same course. This includes Scuba gear but not site entry fees or needed accommodations.

REGISTRATION: TO BE DETERMINED. The \$90 payment for the online packet, text and tables, and certification fee is due to the instructor by the first class. Contact Ken at the email below to arrange to have the education packet sent to you as soon as possible. **Open Water tuition is payable to the instructor (NOT the Y) when you schedule your Open Water training.**

SCHEDULE:

October 23, Noon - 4 pm (Y pool), 6 - 9 pm (Zoom class at home)

October 30, Noon - 4 pm (Y pool), 6 - 9 pm (Zoom class at home)

November 6, Noon - 4 pm (Y pool), 6 - 9 m (Zoom class at home)

November 13 - 14: Open Water training dives (can be adjusted according to your schedule)

November 27 - December 1: Florida Keys Dive Trip if you wish

NOTES:

1. Students need to provide their own snorkeling gear appropriate for ocean diving. This includes mask, snorkel, boots and fins. These need to be obtained for the first pool session. Contact Ken for guidance.
2. Some medical histories preclude diving such as insulin-dependent Type 1 diabetes, seizure disorder, and some cardiovascular and respiratory problems. A medical history is included in the education packet.
3. To enjoy diving, students need to be comfortable in the water. Therefore, a swim test will be administered during the first class. This includes eight laps of the pull with fins, mask, and snorkel after instruction; treading water for 10 minutes, and a short underwater swim.

KEN AND NAUI ABIDE BY THE "LOVED ONE" PRINCIPLE IN TEACHING SCUBA: WE TRAIN YOU THE WAY YOU WOULD WANT YOUR LOVED ONE TRAINED TO ENJOY SCUBA
